RE: Amended 12 Day Pre-General Report (10/1/10 10/13/10), received 11/22/10

Dear Mr. Holly,

In response to your letter dated January 6th, 2011:

1. The \$994,234.37 in un-itemized contributions is correct. There were more than 29,000 contributors providing \$200 or less for this period.
2. The increase of \$137,962.50 in disbursements occurred because we did not have the information on our credit card fees when the report was filed. These are:
CD Inc.- \$72,825.03
Edonations- \$41,820.67
Campaign Solutions- \$22,316.80
However, Bill Johnson for Congress- \$1,000, was omitted due to a data entry error.
3. The Committee amended this report to disclose state, office sought, and district of disbursements to federal candidate committees.

Sincerely,

Daniel G. Puhl
Treasurer
